

Resetting Your Password

Category: Support & Feedback

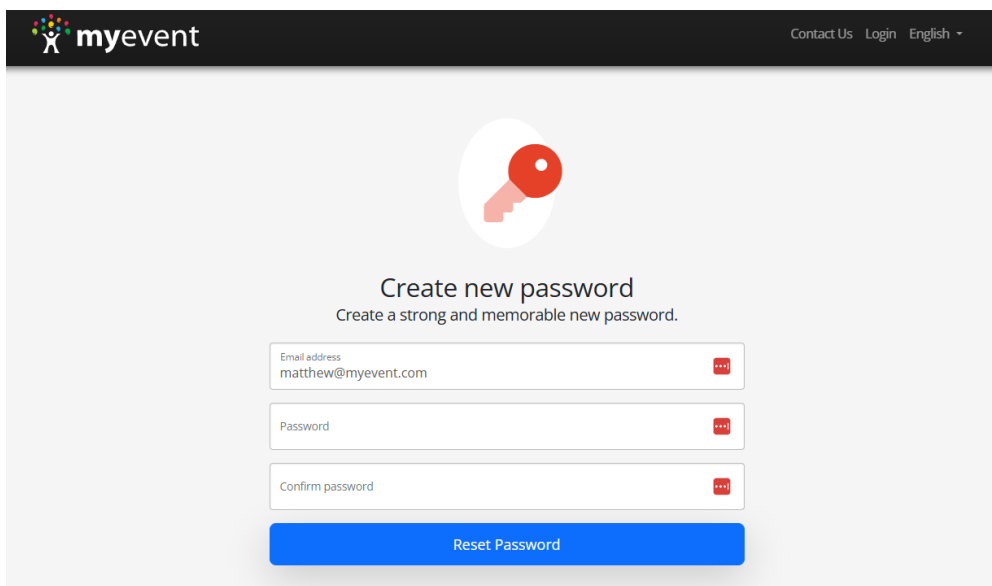

Published: Jan 20, 2026

Reading Time: 1 min

If you forgot your password, resetting your password is simple.

Go to <https://myevent.com/login>:

1. Below the login fields, click the link **Forgot Password**
2. Type in your email address and then click on the **Send Password Reset Link** button
3. Check your email for the reset password message, and click the link in the email to set and confirm a new password. If you can't find the email, check your spam folder.
4. Once set, you can then log in with your email address and newly set password

The screenshot shows the 'myevent' website header with a dark bar containing the logo and navigation links: 'Contact Us', 'Login', and 'English'. The main content area has a light gray background. At the top center is a circular icon with a red key. Below it, the text 'Create new password' is displayed, followed by the instruction 'Create a strong and memorable new password.' There are three input fields: 'Email address' with the value 'matthew@myevent.com', 'Password', and 'Confirm password'. Each field has a red eye icon for toggling visibility. At the bottom is a blue button labeled 'Reset Password'.
