There are no fees for Offline Donations.

What is an offline donation?

Any funds you collect by **check** or **cash** during or after your campaign are all yours; **you keep 100% of Offline Donations!**

Entering your Offline Donations in the Dashboard allows you to track your Offline Donations in reports, and be counted towards your goal(s), progress indicator(s), and leaderboard(s) on the website.

To add an Offline Donation, go to **Site Builder → Features → Donations → Offline Donations**, and click the "**Add Offline Donation**" button.

The screenshot shows the MyFunRun dashboard with the 'Offline Donations' section active. The left sidebar has 'Site Builder', 'Features', 'Donations', and 'Offline Donations' highlighted with red boxes. The main content area includes an 'Actions Guide' with icons for approve, unapprove, view history, manage, and delete. Below this is a '+ New Offline Donation' button. A summary bar shows 'TOTAL AMOUNT FROM OFFLINE DONATIONS: \$1,180.00'. There are three buttons: 'Approved Selected' (green), 'Unapproved Selected' (yellow), and 'Delete Selected' (red). A table lists two donations:
